St. Louis, Mo., Sept. 23.-The English association foot ball players, who are on a tour of the United States, playing exhibition games and contest games, will play their first game in the Brow this city today. Foot ball enthusiasts paso, from all paris of the state are here, and an experience of the state are here. and an enormous crowd is expected to be present at the game. This evening HEAD-ON COLLISION IS a reception will be tendered to the Another game will be played tomorrow.

Cotton Situation.

New York, Sept. 23.—In their weekly cotton review Miller & Co., say: The usual decline at the beginning of a new science has not occurred and to what extent the farmer has the advantage. It is notable that the farmers are not willing to sell under 10 cents a pound while the spinners stop buying as soon as the price raises above the folly cent limit. As a result the market moved between very nar REV. HARRISON bove the 10% cent limit. As a result Georgia, Arkansas, Texas and other sections are rather unfavorable and sections are rather unfavorable and demoralizing, as you say, tester fair next year.

It would take too long to enumerate ranks of the second big race of the sing beyond doubt that Troop H has condition for September is about 7 per cent. Should the decrease be no condition of September is about 7 per cent. Should the decrease be no condition of Cochoer 3, would be about 65.1, or of Cochoer 3, would at least be kept within legal reactions and other that the cochoer and Sedier William and Senator Foraker.

Toketo Reaction and S probably mently increase the crop, as REPUBLICANS NOMINATE the plants, being late in their develop-ment are more susceptible to injury on that account than under more favorable conditions.
